**Good Afternoon Team,**

**Our customers will be receiving this promotional email at 4:45 pm today. With Spring break travel underway, we though what better time to share one of our many mobile app features. Retired employee, Robin Smith recently used this feature and contacted us to let us know how great it worked. We feature a testimonial from her in this email as well. Please let us know if you have any questions or contact Sam Ferguson with any issues you may have with the app. Thank you and have a great afternoon.**

## Travel Plans?

Secure your debit cards for easy travel with our Mobile App.

---

Our card management features on the Century Bank and Trust mobile banking app allow you to add your travel plans so you can use your card worry-free.

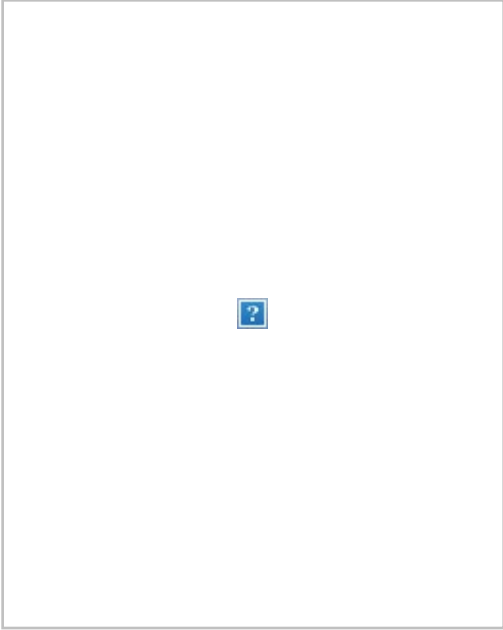

Step 1 simply tap **My Cards** on your app to get started and select "Manage Travel Plans".

Step 2 set your travel plans by selecting "Add Travel Plan". You will be prompted to send a security token to either your cell phone or email address on file. This allows us to confirm your identity. Enter your token ID.

Step 3 selected up to 15 domestic or international destinations as well as your travel dates. Submit within 31 days of travel.

### Customer Testimonial

"I was so happy I was able to manage my debit cards within the Century Bank and Trust mobile app with such ease while traveling. It verified a charge immediately after we paid for a tour in Jamaica and it was nice to be able to transfer money whole out of the country."

-Robin Smith, Century Customer
